Surrealism

Foreyever lancia "Surrealism" la nuova collezione ispirata al movimento artistico nato negli anni '20 a Parigi.

I nuovi modelli di Foreyever Surrealism - chiamati come 4 dei maggiori esponenti del periodo - si contraddistinguono per le immagini nitide e i colori reali ma accostati tra di loro senza alcun nesso logico.

Vogliono esprimere una realtà trascendentale fatta di irrazionale e di sogno, che permette di vivere senza freni inibitori e scopi prestabiliti.

Una realtà onirica che non accetta nessuna forma di razionalità cosciente ma che da accesso solo a ciò che sta oltre il visibile.
